### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Fresh Start More Anthologies provide extra reinforcement of the sounds and graphemes taught in the Fresh Start Modules and Anthologies. They contain a variety of lively non-fiction, poetry and fiction texts, including quizzes, playscripts, and comic strips to motivate the students to read for pleasure. The More Anthology texts should be read after each Module and related Anthology text is completed, to ensure students are reading within their phonic knowledge and experience success in reading. The subjects of the More Anthology texts are linked to the Anthology and Module texts so that some of the vocabulary students meet will be familiar, which supports independent reading.
