## Reviews

*A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).*

Excerpt: . . . assurance, Aqui time su casa, with which even the chance acquaintance is made to feel at home, as in his own house--do not seem incongruous as in Spanish cities in closer contact with the outer world. The streets of the city run eastward up the slopes of a wide avenue cut along the sides of the mountain, and are crossed at right angles by others running north and south. The blocks thus formed rise one above another like the benches of a great ampitheater. overshadowed by the peaks Gold figure found Gold figure found 0 at Lake Guatavita at Lake Guatavita Lake Guatavita, showing the cut made by Sepulvada, a rich merchant of Bogata, who in 1562 attempted to drain the lake in order to secure the great treasure supposed to exist at the bottom San Carlos Palace, Bogota, Colombia. Blowing gold dust over the king 3after his body had been anointed with balsam Monserrate and Guadelupe. On the crests of these peaks stand two massive cathedrals. One wonders why great temples were built in such inaccessible locations, and why, with over thirty more cathedrals and churches in the city, they were needed at all. They can be reached only by pedestrians, and then only after some three hours of hard climbing; no one ever lived near...
