## Jesus: a Short Life: The Historical Evidence (Paperback)

By John Dickson

Lion Hudson Plc, United Kingdom, 2012. Paperback. Book Condition: New. 194 x 128 mm. Language: English . Brand New Book. The last few years have witnessed an unprecedented stream of blockbuster-style claims about the man from Nazareth. Believers and sceptics alike have hardly had time to process one controversial theory before the next one hits the market. Recent claims about the life of Jesus have raised many questions about the historicity of the man from Nazareth. In this accessible book, John Dickson addresses such issues as: When and where was Jesus born? Did he marry? What should we make of the miracles he is reported to have performed? How should we treat the claim that he rose from the dead? And can we be sure that he even existed? In eleven chapters - covering the historical reliability of the New Testament, Jesus birth and family, his historical context, his teachings, miracles, death, resurrection and subsequent appearances - Dickson clears away the mists of speculation, revealing the founder of Christianity in sharp focus. This is a must-read for anyone wanting a lucid response to the controversial conspiracy theories of the post-modern age.
