

## Prefab Homes

Filesize: 1.04 MB

### Reviews

*Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## PREFAB HOMES

DOWNLOAD

Shire Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Prefab Homes, Elisabeth Blanchett, At the end of the Second World War Winston Churchill promised to manufacture half a million prefabricated bungalows to ease the housing shortage; in the end more than 156,000 temporary 'prefabs' were delivered. Nicknamed 'Palaces for the People', and with convenient kitchens, bathrooms and heating systems, they proved popular and instead of being demolished as intended they were defended by residents who campaigned to keep their family homes and communities. Nearly seventy years later, as the last of these two bedroom homes are being demolished, Elisabeth Blanchet tells the story of these popular dwellings and their gardens and shows the various designs that were produced. Through the stories and memories of residents, she also reveals the communities who were pleased to live in the prefabs.
