

# The Green Road into the Trees

By Hugh Thomson

Cornerstone. Paperback. Book Condition: new. BRAND NEW, The Green Road into the Trees, Hugh Thomson, This is the winner of the 2014 Thwaites Wainwright prize. In the past, Hugh Thomson has written acclaimed books about Peru, Mexico and the Indian Himalaya. Now he returns to the most exotic and foreign country of them all - his own. Walking right across England, along ancient trackways and green grass roads, Hugh explores the way the country was and the way it is today: the legends, literature and natural world that define us, and the undercurrent of regret running throughout our history; what he calls 'the unicorn disappearing into the trees'. From coast-to-coast and through the heart of the countryside, he shows how older, forgotten cultures like the Celts, Saxons and Vikings lie much closer to the surface than we may think. It is a journey enriched and partly told by the characters he meets along the way. By taking it, Hugh casts unexpected light - and humour - on the way we live now.
