

Other Goose: Re-Nurseried!! and Re-Rhymed!! Children's Classics

By Seibold, J. Otto.

Chronicle. 1 Laminated Cover(s), 2010. hard. Book Condition: New. "'There was an old woman / Who lived in a sneaker. / She had a great big stereo speaker.' In the spirit of Mother Goose rhymes . the silly rhymes and wild, vibrantly colored pictures in this picture-book collection bring the nonsense up-to-date with technological and cultural references kids will recognize and silliness that is universal. Kids [up to 9] will enjoy the new twists on familiar scenes that range from Humpty Dumpty at the mall to Jack Splat, whose paintings are abstract, while his wife's are country scenes. 'It's raining, it's boring,' is for all ages, but most of the farce and the wordplay are for sharing and reading aloud with older grade-schoolers, who will best appreciate the satire and puns as well as the busy, full-page computer graphics. As [the illustrator of Olive, the Other Reindeer] says about nursery rhymes, 'The rhyme gets stuck in your head,' and these selections will make great partners with the classics." Booklist 77.
