Excerpt from A Novel Experiment One result of this policy is that the distinctly over-average pupil is practically unknown in the higher grades of the Newton elementary schools. What this policy is doing for the young people directly affected by it, it is the purpose of this little pamphlet to show. At my request, Miss Mary A. Laselle, who, from the beginning of this policy has been held responsible for the success of the transferred girls during their first year in high school and has given these girls all their instruction in academic subjects, has written the following description of the transfer work and of the subsequent success to date of the first class of girls to be admitted to the high school under this policy. As Miss Laselle shows (pp. 10-12) not only did nine-tenths of the fifty girls admitted remain throughout the year, but more than two-thirds of those who remained through continued their schooling the following year, twenty-seven of them in regular courses of the Technical High; and of the latter twenty-seven, nineteen are...

Reviews

An extremely wonderful pdf with perfect and lucid information. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication will be worth purchasing. It is written in straightforward words and not hard to understand. I am just very happy to explain how here is the best ebook we have read in my own lifestyle and might be the best publication for at any time.
