Createspace, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.In this 20+ century, mankind finds itself in a society rigorously structured, and ruthlessly enslaved by a handful of Choosers and an elite of Chosen. The overwhelming majority is trapped into a diabolic seven days per week work regimen at The Factories of different Areas, where they all believe they are working as Subjects for new software testing. Management provides what s necessary for a comfortable life: simple housing, cheap entertainment, and even cheaper, unhealthy food. Fifty-six yearly vaccines and numerous miraculous pills are heavily promoted. Independent thinking is vigorously oppressed and any kind of dreaming is considered against the law. Yet people are all blissfully happy with their daily meals and weekly games, and they don t even notice how drained of energy they literally are. When Cor is accidentally late for his meal, he experiences awakening. He realizes with Ela s help that he is not alone, and all the numbing and dumbing chemicals that blind them into a total, happy obedience and dreamless nights, are in their food. He sees with horror how they are all used as livestock providers of human energy - scientifically proven to be the purest form of energy. Even more shocking, he finds out that apparently without a reason he committed, to everybody s disbelief, self- dumbification. Before that, he was a well-known scientist, developing a method that would exponentially increase the energy extracted from humans, at great damaging consequences for them. However the person who would own his method will immediately become the most powerful human in the known Universe. Cor also realizes that using - with a little twist - the same method in the Oneiric Dimension -...
