How to Protect Our Children in School: Quick Reference Guide-Warning Checklists

By Daphne Lichter

New Millenium Publishing. Paperback. Book Condition: New. Paperback. 34 pages. Dimensions: 10.0in. x 8.0in. x 0.1in. This Quick Reference Guide helps to identify warning signs in children that are predictors of violence. Busy parents and professionals can then refer at risk children for help. Getting hurt or even killed on school grounds are just some of the concerns facing kids today. How do we explain the mayhem in our schools spreading like wildfire throughout the nation. Regardless of the causes that lead kids to kill kids, there are facts that we can no longer ignore. Over 6,000 students were expelled last year for taking guns to school. Those expelled were the ones who were caught. Such daily exposure to fears of survival, whether real or magnified, make it harder for students to concentrate on what it takes to succeed in school. Knowing and identifying the warning signs of violence could help predict and prevent the next incident! This guide is appropriate for parents, education staff, law enforcement and other professionals who are in contact with at risk children. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
