GRIN Verlag Aug 2013, 2013. sonst. Bücher. Book Condition: Neu. 210x148x1 mm. This item is printed on demand - Print on Demand Neuware - Studienarbeit aus dem Jahr 2013 im Fachbereich Organisation und Verwaltung, Note: 1,00, Jacobs University Bremen gGmbH (School of Humanities and Social Sciences), Sprache: Deutsch, Abstract: (.) If policies are reactions to social problems, prior to action policymakers must determine what the most pressing issues are that deserve government attention. Policymakers are not only pushed by various interest groups, think tanks, and other organized constituents to pay attention to different issues, but are also in disagreement among each other regarding which issues merit space on the agenda (Dery, 2000, p. 39). The question therefore is: Who decides what a problem is and if it deserves government attention And more importantly, how does policy agenda change and what role do policy actors play in this context This essay attempts to find an answer to these questions. It aims to explain why, for instance, child care in the US suddenly moved from relative obscurity to the government agenda (Nelson, 1984). Further, what was decisive for education to become a highly important agenda item in the same period when child...
