Brand New Book ***** Print on Demand *****.The poems in this book have been written within the months of November 2013 to February 2014 when I left my native country Denmark for a sabbatical in Australia. The poems were written during a period of my life, where a process of transformation caused intense grief and suffering on a scale I have never experienced before. It was like my Soul urged - or almost demanded - me to let go of the old, and to surrender to the new, whatever that was going to be. Symbolically a question of life or death. My reason for writing this book is to help others in the same situation. If I can relieve just a little of their grief and suffering, their hardships and heartache, their desperation and sadness, I am more than satisfied. In fact I dont want anyone to go through the agony of the heart I did, though it seems to be an important...
