

The House of Wisdom: How the Arabs Transformed Western Civilization

By Jonathan Lyons

Bloomsbury Publishing Plc. Paperback / softback. Book Condition: new. BRAND NEW, The House of Wisdom: How the Arabs Transformed Western Civilization, Jonathan Lyons, "Dust will never gather on Jonathan Lyons' lively new book of medieval history. Lyons tells his multilayered story deftly, forsaking the tyranny of chronology to flesh out ideas and personalities."--"Los Angeles Times Book Review "For centuries following the fall of Rome, western Europe was a benighted backwater, a world of subsistence farming, minimal literacy, and violent conflict. Meanwhile Arabic culture thrived, dazzling the few Europeans who glimpsed the scientific advances coming from the capitals of the Islamic world. In Baghdad's royal library, known as the House of Wisdom, an army of scholars broke new ground in astronomy, mathematics, and philosophy, among other disciplines. Even as their countrymen waged bloody crusades against Muslims, a handful of Christian scholars traveled east and returned with priceless knowledge that laid the foundations of the Renaissance. In this brilliant, evocative work, Lyons reveals the untold story of how Europe drank from the well of Muslim learning.

Reviews

An incredibly wonderful book with perfect and lucid explanations. It normally is not going to price a lot of. I am just very happy to tell you that this is the greatest pdf we have go through within my personal lifestyle and could be the finest book for at any time.

-- **Bart Lowe**

This is basically the greatest pdf i actually have go through till now. It is definitely simplistic but surprises within the fifty percent in the ebook. I am easily will get a delight of studying a published ebook.
