AMERICAN NORMAL

Copernicus Dez 2010, 2010. Taschenbuch. Book Condition: Neu. 23.5x15.5x cm. This item is printed on demand - Print on Demand Titel. Some support organizations even claim that as many as one in five hundred people in the general population suffers from some aspect of the disease. Basing his report on memoirs, clinical histories, poems and stories, and visits with dozens of individuals afflicted with the disorder, journalist...
